

GLOVER GAZETTE

OCTOBER 27, 2023

Dear Glover Families,

We had a wonderful week at Glover and the grand finale was the PTO Sponsored Trunk or Treat. It was wonderful to see so many families come up for this annual Glover tradition. Cars were decorated with themes to include Taylor Swift, Cookie Monster, Jurassic Park, and a Safari to name a few.

Special thanks to Mrs. Milburn who brought back the tradition of the Glover Pumpkin Patch. Children enjoyed taking a stroll on Friday to check out the artwork of their peers. This is a special treat that we will look forward to annually as part of our Glover traditions.

Teachers are working hard to implement the new Wit and Wisdom ELA Curriculum. Children are exposed to multiple stories on a topic so that they can take a deeper dive and expand their knowledge. Children are encouraged to have active discussions and at times act out their text.

Next Friday, November 3rd will be our next Glover Gathering. Our character trait for November is responsibility. This will be an area of focus this month throughout classrooms and on our morning announcements. It also happens to be one of the Glover School Character Traits of being respectful, safe and responsible.

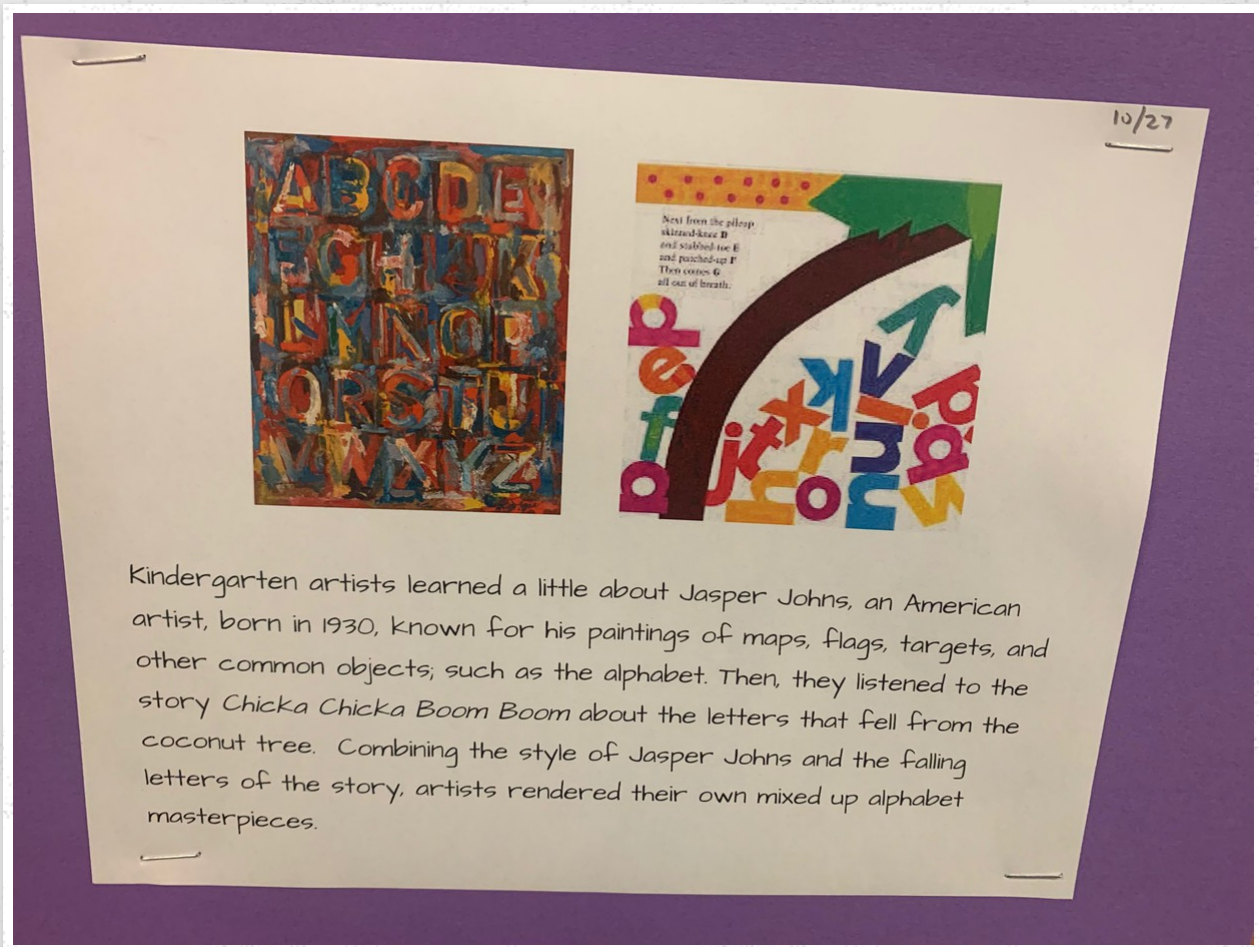

We are noticing an uptick in children bringing toys from home to school. They are distracting to children in class and adjustment counselors have noticed an uptick in social conflicts over taking one another's toys. Please have your child keep toys that are not needed for a special class game at home.

I hope that you all enjoy this unseasonably warm weather and have a wonderful weekend.

Best,

Hope Doran

Principal
