August 18, 2021.

Dear Kindergarten Parents :

Kindergarten Screening is required by Massachusetts Chapter 766 State Law and is given to each child who will be entering kindergarten. The screening is used as a tool to provide local schools with information concerning any special learning needs a child might have. We will be using the Speed Dial which takes approximately 15 minutes. The Speed Dial tests your child's gross and fine motor skills, cognitive abilities, and speech and language.

The Glover School Kindergarten screening will take place at the Eveleth School, on September 1st beginning at 8:25 AM and the last session begins at 1:50 PM. There will be seven testers for each time slot.

If you absolutely cannot make the September 1st date, there is a make-up day with very limited slots on September 3rd from 8:20-11:30. The make-up day combines Glover and the Eveleth students. With extremely limited available slots on Friday it is *highly recommended* you sign up for the Wednesday screening date.

To sign your child up for screening on September 1st, please go to our sign up genius at: <https://www.signupgenius.com/go/70a0a4eadae29a0f85-glover3>

To sign up your child for screening on the September 3rd date please go to our sign up genius at: <https://www.signupgenius.com/go/70A0A4EADAE29A0F85-kindergarten>

Once the screening is completed the screening team will score the results. You will receive a letter in the mail the following week indicating your child was screened and that we have all the information we need. If we feel that we need more information we will contact you.

If you have any questions please do not hesitate to call me at (781) 639-3190 or you can email me at ota.brian@marbleheadschoools.org.

Regards

Brian Ota Principal
