### **ABOUT JENNIFER J. HARRIS**

Jennifer J. Harris was a 1996 graduate of Swampscott High and upon graduation from the United States Naval Academy in 2000 was commissioned a Second Lieutenant in the United States Marine Corps. She attended The Basic School in Quantico, VA, and then flight school in Pensacola, FL, earning her Aviator Wings of Gold on September 13, 2002. Jennifer was then assigned to Marine Medium Helicopter Training Squadron (HMMT-164) in Camp Pendleton, CA where she learned to fly the CH-46 Sea Knight helicopter and upon completion of training was assigned to the Purple Foxes Squadron (HMM-364) immediately deploying for Operation Iraqi Freedom. HMM-364 is a legendary squadron known since the Vietnam War for repeatedly answering the call of duty flying in and out of active combat areas where imminent danger was always present. During her time in HMM-364, Jennifer attended The Weapons and Tactics Instructor's Course (WTI), the Marine equivalent to Top Gun training. Captain Harris was the first female pilot in the Purple Foxes Squadron.

A commitment to serve others was a core value guiding Jennifer and was most evident in her decision to serve our country. As a Marine, she combined this commitment with her sense of compassion to be one of the best CH-46 pilots in the Marine Corps. She performed her duties as a Casualty Evacuation pilot flying in and out of combat areas for the emergency evacuation of injured military personnel and Iraqi citizens, saving countless lives.

Captain Harris served three tours of duty in Iraq and was killed in action on February 7, 2007, when the helicopter she was piloting was downed by enemy fire.
