A young man with short, wavy brown hair is smiling broadly at the camera. He is wearing a white t-shirt with red sleeves and has a black backpack strap over his shoulder. The background is a blurred outdoor campus setting with other students and trees. In the top left corner, there is a dark blue rectangular box with a lime green triangle pointing towards it from the left. The text 'Important Kitchen Table Conversations' is written in white inside the blue box.

## Important Kitchen Table Conversations

- What is each school's net price?
- Would starting at community college save significant \$?
- Consider the number of children you will send to college
- Think in terms of total debt (4+ years of school) & potential starting salary
- Is the student considering graduate school?

# MA State Financial Aid

- States have different instructions for listing colleges on the FAFSA: [studentaid.gov/apply-for-aid/fafsa/filling-out/school-list](https://studentaid.gov/apply-for-aid/fafsa/filling-out/school-list)
- To apply for MA state financial aid, complete the FAFSA by May 1
- In MA, students who submit the FAFSA will receive an email or text from the MA Office of Student Financial Assistance (OSFA) inviting them to log in to the MASSAid Portal to:
  - Access and track state financial aid (NOTE: there may be none)
  - Use the College Cost and Financial Aid Eligibility information tool
- In MA, state financial aid is directed to the school listed first on the FAFSA. However, once students create a MASSAid user account, they can indicate the school they will attend to receive their state aid there

The screenshot displays the MASSAid Portal interface. At the top, it features the MASSAid logo and the text "Massachusetts Department of Higher Education Office of Student Financial Assistance". A navigation menu on the left includes links for My Home, My MASSGrant, My Forms, Grant/Scholarship Online Applications, Email OSFA, Account Management, College Cost and Financial Aid Eligibility Information, and Logout.

The main content area is titled "College Cost and Financial Aid Eligibility Information". It includes a "Click Here" link with a trophy icon, followed by a paragraph: "Click Here to learn more about college costs and state financial aid programs you may qualify for to reduce those costs." Below this are three bullet points:

- View and compare the cost of the Massachusetts colleges you included on your FAFSA application.
- View your "expected family contribution" (EFC) - the amount the federal government estimates you and your family will need to pay towards the cost of college.
- View federal and state financial aid that you may be eligible for and update your eligibility by providing additional information.

Below the main content, there are two panels. The left panel, titled "Welcome Bobby!", contains a form with fields for Name, Address, Email, Phone, and Cell Phone. A "Update Student Info" button is located at the bottom right of this panel. The right panel, titled "My MASSGrant", shows a dropdown menu for "Year 2023 to 2024" and an "Award Status" section. The award status text reads: "Good news! Based on your interest in attending UNIVERSITY OF MASSACHUSETTS-AMHERST for the 2023-2024 school year, you are eligible for a MASSGrant award. (Select a different institution to see your MASSGrant eligibility there.)" Below this text is a table with the following data:

Term	Amount	Status	Paid Date
Fall	\$600.00	ReadyToCertify	Pending
Spring	\$600.00	ReadyToCertify	Pending
