September 15, 2025

Dear High School Administrators and Teachers:

Each year, the Henry David Thoreau Foundation selects several Massachusetts high school seniors interested in environmental studies to receive up to **\$26,000** for tuition to the college of their choice.

Our objective is to foster future environmental leaders. Henry David Thoreau Scholars major in many different subjects such as oceanography, green architecture, conservation biology, and alternative energy as well as engineering and computer science majors related to the environment. Thoreau Scholars also participate in study abroad programs and gain work experience through internships, which reinforce an environmental undergraduate experience.

Please publicly post the enclosed flyer in your school so that your students can learn more about the Henry David Thoreau Foundation. We invite you to visit **[www.thoreauscholar.org](http://www.thoreauscholar.org)** to learn more about our scholarship program. **The application opens October 15, 2025 and closes February 1, 2026.**

We invite you to visit **[www.thoreauscholar.org](http://www.thoreauscholar.org)** or email [jackie@thoreauscholar.org](mailto:jackie@thoreauscholar.org) to learn more about our scholarship program.

Sincerely,

Jennifer P. Galvin, President  
Henry David Thoreau Foundation
