

MySchoolBucks Registration and Payment

The cost is \$20 and the payment is online through MySchoolBucks.com. Please visit www.MySchoolBucks.com to log into our online payment system. Registration information is pulled from MySchoolsBucks.com.

Click on “Sign up free”. This will prompt you to create an account by choosing the state (Massachusetts) and school district (Marblehead Public Schools) and then entering your personal information. This account should be established using the parent or guardian information. Once the “parent” account is set up, students can be added to the parent account by selecting the student’s school and by entering their name and student ID number. Their student ID number is the same number that students use to access their lunch account. If you need assistance with your child’s student ID, please contact your school office.

Once you are logged into our system, please visit the School Store, click on “Browse All Items”. Click on the item which you wish to pay. You will be prompted to select your child’s name. Click on “Add to Basket”, click on the orange shopping cart icon in the upper right-hand corner, and then click on “View Cart/Checkout”. You may pay by e-check or by credit card.
