

School Advisory Council Minutes 2/3/22

I. Program of Studies

- to be released 2/17, which will kick off the course selection process for students
- Process of overriding a teacher recommendation into a particular level course has been streamlined and simplified to provide equal access to courses

II. Handbook Review

- Broke into small groups of mixed teachers, students, parents, community members, and administrators to review items in the Student Handbook for editing/removal. This lasted the rest of the meeting.
