

Welcome to 4th Grade

Summer 2024

Dear Fourth Grader and Family,

Welcome to 4th grade and Village School! I hope that you are enjoying your summer and that you have had time to relax and have fun. I am very excited to spend this year with you!

Our class has an exciting adventure ahead of us! This year in 4th grade we will be exploring the geography of the United States, sharing the books we are reading, writing poems and stories, and thinking mathematically. We will also be acting, drawing, calculating, singing, doing experiments, and having lots of fun together as we learn!

I would like to share some of the goals I have for our class this year. I hope to build a strong classroom community and make connections between what we learn and our own lives. My hope is that each student in our class will grow as a reader, writer, scientist, and mathematician. What are your goals for fourth grade? What are some things you are looking forward to? I can't wait to meet you and start this adventure together!

Sincerely,

Mrs. Sweet ☺

P.S. - Attached is a list of supplies needed for the year. I want to thank all the parents in advance for all of their support!
