

## 5/5 - MHS SAC Minutes

### I. Greeting & Review of Norms

### II. Attendance Policy

- Under review by school lawyer, Head of School Counseling, Director of Special Education
- Discussion points:
  - Absences related to a medical condition or to mental health will not count toward total
  - Medical notes negate tardies
  - # of days that a student was absent is the same # of days that the student has to make up the work
  - SAC members will work to create a chart of the types of absences/tardies and the consequences according to the policy

### III. Cell Phone Use Policy

- Consistent school-wide policy needed
- Balance between teaching students responsible use and independence vs. ensuring attention and preventing abuse of technology during class

### IV. MyCAP discussion postponed - cell phone discussion ran up to the end of the meeting
