mcmahon.deanna@marbleheadschoools.org

Welcome to all **new students and parents** of Marblehead Public Schools!  
To facilitate your transition to Marblehead Schools and eliminate any confusion around enrollment requirements I would like to clarify health requirements according to Massachusetts General Laws. **All new students must have a current Physical Exam and be fully immunized or meet exemption regulations.** The school nurse must receive this documentation and give approval for attendance prior to the student's first day of attendance.

**The Health Requirements for School Entrance for students are:**

Physical Exam **with results of Vision screening** within 1 year of the start of school

**Immunizations: See attached Massachusetts School Immunization Requirements.**

Students entering from foreign countries where Tuberculosis is endemic may require a TB test.

**Health Insurance:**

Information on Children's Medical Security Plan and other Mass Health Family Insurance plans are available online @[www.mahealthconnector.org/](http://www.mahealthconnector.org/) and at 1-800-841-2900.

**Please contact me or your School Nurse with any questions.**
